ALTERWOOD ADVANTAGE DUAL SECURE

Statement of Maryland Medical Assistance (Medicaid) Benefits and Cost-Sharing

Medicaid Benefits:

Coverage of benefits depends on your level of Medicaid eligibility. If Medicare doesn't cover a service or a benefit has run out, Medicaid may help, but you may have to pay a cost-share. For more information, please call the Maryland Department of Health at 1-877-463-3464.

Cost Sharing and Protection for Alterwood Advantage Dual Secure Members:

In the Alterwood Advantage Dual Secure plan, the state Medicaid program pays the cost sharing for Medicare covered medical services you receive. You pay no cost sharing for the Medicare covered benefits described in the Covered Medical and Hospital Benefits section of this Summary of Benefits. You will pay small copayments for prescriptions covered under the Medicare Part D prescription drug benefit. These small copayments only apply as long as you are receiving "extra help." When you receive covered health care services, the network provider should bill Alterwood Advantage Dual Secure first and then Maryland Medical Assistance second. Network providers are not permitted to balance bill you for services that are covered by both Alterwood Advantage Dual Secure and Medicaid.

If you receive care from a non-network provider, the provider may not understand Alterwood Advantage Dual Secure or these billing rules. If you receive a bill from a provider for Medicare covered services, please notify Member Services so we can help you. Please see chapter 7, "Asking us to pay our share of a bill you have received for covered medical services or drugs", of your Alterwood Advantage Dual Secure Evidence of Coverage for more information.

The benefits described on the next page are covered by Medicaid. You can see what Maryland Department of Health covers and what our plan covers. If a benefit is used up or not covered by Medicare, then Medicaid may provide coverage. This depends on your type of Medicaid coverage. Coverage of the benefits described below depends upon your level of Medicaid eligibility. No matter what your level of Medicaid eligibility is, Alterwood Advantage Dual Secure will cover the benefits described in the previous sections of the Summary of Benefits. If you have questions about your Medicaid eligibility and what benefits you are entitled to, call Maryland Department of Health, 1-855-642-8572. Medicaid may pay your Medicare cost sharing amount, but it will depend on your Medicaid eligibility level. If Medicare doesn't cover a service or a benefit has run out, Medicaid may help, but you may have to pay a cost share.

Pre-Enrollment Checklist

Before making an enrollment decision, it is important that you fully understand our benefits and rules. If you have any questions, you can call and speak to a customer service representative at 1-866-550-1011 (TTY: 711).

Understanding the Benefits:

- The Evidence of Coverage (EOC) provides a complete list of all coverage and services. It is important to review plan coverage, costs, and benefits before you enroll. Visit www.AlterwoodAdvantage.com or call 1-866-550-1011 to view a copy of the EOC.
- Review the provider directory (or ask your doctor) to make sure the doctors you see now are in the network. If they are not listed, it means you will likely have to select a new doctor.
- Review the pharmacy directory to make sure the pharmacy you use for any prescription medicine is in the network. If the pharmacy is not listed, you will likely have to select a new pharmacy for your prescriptions.
- Review the formulary to make sure your drugs are covered.

Understanding Important Rules:

- You must continue to pay your Medicare Part B premium. This premium is normally taken out of your Social Security check each month.
- Benefits, premiums and/or copayments/coinsurance may change on January 1, 2026.
- Except in emergency or urgent situations, we do not cover services by out-of-network providers (doctors who are not listed in the provider directory).
- This plan is a dual eligible special needs plan (D-SNP). Your ability to enroll will be based on verification that you are entitled to both Medicare and medical assistance from a state plan under Medicaid.
- If you are currently enrolled in a Medicare Advantage plan, your current Medicare Advantage healthcare coverage will end once your new Medicare Advantage coverage starts. If you have Tricare, your coverage may be affected once your new Medicare Advantage coverage starts. Please contact Tricare for more information. If you have a Medigap plan, once your Medicare Advantage coverage starts, you may want to drop your Medigap policy because you will be paying for coverage you cannot use.
